

2005/06 Year in Review

Aeromédicos continued to live up to its commitment to serve the rural area of Cadeje in Baja del Sur. Each month, dedicated volunteers provided a variety of services to the people of this area. Noteworthy highlights included the October eye screening/clinic and the CPR classes given in Mulege and San Juanico. Also noteworthy were Dr. Dick Klein's denture clinics, a great service to the people of this area.

This season saw the passing of four members; Dr. Bob Bailey DDS, Dr. Bob Parker MD, Don Stewart, pilot, and Marc O'Regan, Physician's Assistant. This newsletter is dedicated to their memory.

In reflection, there are many thanks owed to previous volunteers who set precedents and led the way for our current organization. The following names are in no way a complete list, only a partial list, of significant contributors:

- Dick Rader, attorney who set up the first by-laws and incorporated Aeromédicos as a non-profit organization
- Earl Hill, chiropractor, pilot, and long-time treasurer of Aeromédicos
- Sylvia Wood, translator and dedicated volunteer who rarely missed a trip for many years
- Maury and Charlene Shook; Maury was a pilot and Charlene was the trip coordinator for over 200 trips
- C.W. Bryant MD, who was the chairman of Aeromédicos for 18 years, made every trip, and was a dedicated pilot
- Frank and Diane La Bouve; Frank was our graphic arts publishing department, all in one; Diane, a nurse, usually helped in the pharmacy
- Marlen Tilford, clinic coordinator and secretary, the epitome of competent commitment and dedication. Her participation led to a pilot's license. Marlen was my first trip right seat co-pilot.
- John Ahern MD
- Lee Wallis, dental assistant
- JR Pineda, podiatrist
- Bev Casselman, pilot
- Frank and Pat Heintz, Pilot and Nurse respectively, Frank has made more trips than any one I know. Pat prior to her death in 2002 of cancer made trips while on chemotherapy.
- Sylvio DiLoreto, pilot and lab tech
- John Thacher MD and Kathy Ogden dermatology assistant
- Dick Herzog, who would do anything and everything, and not only did it well but truly loved doing it. All the heavy equipment in the Cadeje clinic was trucked down by Dick Herzog and Brady Miles in three adventure filled trips.
- Pete Chocran, pilot, now followed by son Larry Cochran
- Nina Scaresello, Translator
- Sid and Prissilla Sommerhill
- Denny Gaston, pharmacist who met and married a local gal Dennia, from Guymas
- Dave Trichler optomotrist

To all those we may have overlooked, I apologize . The list could go on . We thank everyone who ever participated in an Aeromedico Trip. To Be a volunteer, no matter what level of involvement, is an important gesture to your fellow man and for that, all deserve a big, "Thank You.!"

Aeromédicos Goals

1. Training and education. Community members of Cadeje, San Juanico, and Mulege have requested that training courses be provided. Our paramedic/EMTs have agreed to put on these courses.
2. Improvements for the local schools and our computer internet program
3. Continuing to provide audiology, optometry, dental, and medical services

Volunteer of the Year

Ted and Margo Kenney have been long time members of Aeromedicos and duly deserve to be named volunteers of the year. Ted and Margo have gone above and beyond to accomadate the need of Aeromedicos. Ted is always willing to make an extra trip to Cadaje as needed. Margo is enthusiastic in helping wherever she is needed in the medical clininc. They both have shown incredible compassion for the Areomedico team and the patients of Cadaje. Therefore Ted and Margo Kenney are the 2005-2006 Volunteers of the year. Thank you for your dedicated sevice.

W ithout the help of everyone, we would not be as successful, so with that in mind, ***“Thanks to everyone for a very successful season!”***

Herlinda and her husband Ramon, handed over the operation of the clinic to Eustacio in June of this year. For 9 years Herlinda and Ramon maintain the clinic in good stead. Citing some health concerns and a move to San Juanico last year, They decided it was best to retire from active service in the clinic. Their smiling faces will be missed.
